Methodist Jennie Edmundson Hospital is pro-active in the awareness and fight against breast cancer. The “Bosom Buddies” (survivors and advocates for the prevention and cure of breast cancer) are again raising funds to support the work of our Breast Leadership Team, programs such as: FREE breast screenings, educational opportunities, capital improvements and community awareness. This year’s Pink Out funds will help support the purchase of new imaging equipment which will improve surgical excision biopsy procedures, resulting in the patient spending less time in the operating room and better outcomes.

Shirts will be available for pick up in the Volunteer Services Department on Tuesday, October 9th.
