Updates on Our Two Current Capital Campaigns

TrueBeam Linear Accelerator Campaign

Since 2015, this campaign has raised \$5 million and is wrapping up as we receive final pledge gifts. Since its installation in 2016, the linear accelerator has delivered over 13,000 radiation treatments.

New Medi-Van Campaign

Overwhelming support allowed this \$120,000 campaign to be completed in only 2 months! The new van will arrive soon and begin transporting patients to and from medical appointments.
